

INVITATION TO BID

Sealed Bids will be received by the City and County of Denver, acting by and through its Board of Water Commissioners (OWNER), at 1600 West 12th Avenue, Denver, Colorado 80204, in Engineering Conference Room 308 until 2:00 p.m., local time, Tuesday, September 26, 2006, for the Construction of the Hillcrest Pump Station Surge Valve Vault and 24-Inch Ø Steel Pipe Interconnect Between Conduit No. 153 and Conduit No. 27. At said place and time, all bids that have been duly received will be publicly opened and read aloud.

The Work to be done, for which Bids are invited, shall consist of constructing an underground concrete valve vault and associated piping at the Hillcrest Pump Station site, Denver, Colorado.

The Contract will be awarded on an "all or none" basis. Refer to the Drawings for a more specific description of Work.

All Bids must be in accordance with the Contract Documents on file with Denver Water's Engineering Division, 1600 West 12th Avenue, Denver, Colorado 80204.

Copies of Contract Documents for use in preparing Bids may be obtained from Denver Water (telephone number (303) 628-6604) at the address stipulated above. Drawings and Specification charges shall be as stipulated below. No refunds will be made.

<u>Documents</u>	<u>Charge</u>	<u>Refund</u>

A jobsite tour and prebid conference covering project questions is scheduled for 10:00 a.m., local time, Thursday, September 14, 2006, at the Hillcrest Pump Station site, 4200 S. Happy Canyon Road, Denver, CO. Attendance is a requirement for submission of a Bid.

Bidders shall comply with the provisions of the Board's Nondiscrimination in Contracting Program set forth in the Contract Documents. **Goals for this project have been established as 5% participation of the total bid amount.** It is the intent of the Program that qualified Contractors, Subcontractors, or Suppliers be utilized to the fullest extent possible, to perform work or provide the supplies and services required by the Drawings and Specifications. **Bidders are encouraged to identify as many aspects of the work as possible to enhance the utilization of SDBEs.**

The Work is to commence on the day indicated in the Notice to Proceed. A Notice to Proceed may be given at any time within 45 days after the Effective Date of the Agreement. Completion of the Work shall be in accordance with the following deadline schedule:

<u>Completion Item</u>	<u>Date</u>
Substantial Completion	March 30, 2007
Final Completion	April 27, 2007

Bid Security equaling five percent (5%) of the total bid must accompany each Bid in the form of a certified check, a bank cashier's check drawn on an accredited Denver area bank, or a Bid Bond in the form attached.

The successful Bidder will be required to furnish a Construction Performance Bond and a Construction Payment Bond, each in the full amount of the Contract, executed by a corporate Surety authorized to do business in Colorado (and satisfying the requirements set forth in ARTICLE 5 - BONDS AND INSURANCE in the General Conditions), guaranteeing faithful performance and the payment of all bills and obligations arising from the performance of the Contract.

No Bid may be withdrawn within a period of 45 days after the date fixed for opening Bids.

OWNER reserves the right to reject any and/or all Bids, to waive informalities and to reject nonconforming, non-responsive, or conditional Bids.

Pertinent questions regarding the project may be directed to Greg Hempelman, Project Engineer, by calling (303) 628-6650 or FAX (303) 628-6851.
